**Checkpoint MyAccount Registration With a Registration key – Customer does not have a OnePass ID**

To associate Checkpoint MyAccount to your OnePass account with a registration key, you must obtain a registration key by contacting Checkpoint Technical Support at 1-800-431-9025 option 4 and then option 1.

2. Select Register Now.

![Checkpoint MyAccount Registration](image)
3. Select Register with a Registration Key.

4. Enter your Registration Key. Click Next.
5. Enter your email address. Click Next.

**Note:** The system checks the email address to see if a OnePass profile exists. If a profile is not found, you will be prompted to create a OnePass profile.
6. Enter all OnePass profile fields. Click Create Profile.

Security Questions

OnePass requires three security questions and answers to better protect your account.

Select a Security Question
What is your city of birth?
Answer:
Anytown USA

Select a Security Question
What is your mother’s maiden name?
Answer:
Smith

Select a Security Question
What was the street name of the house in which you grew up?
Answer:
Main Street

Create Profile
7. A system message appears saying “Your OnePass Profile has been successfully created or updated”. Click Continue.

8. The system returns you to the Register for MyAccount page:
   a. Step One: The system auto-populates the Registration Key. Click Next.
   b. Step Two: Enter the email address that was entered for your OnePass Profile. Click Next.
   c. Step Three: Enter the newly created OnePass User Name/Password. Click Next.
d. Step Three: Enter the newly created OnePass User Name/Password. Click Next.
9. Agree to the Terms and Conditions. Click Submit.

You now have access to your registered account.

10. If you have access to multiple accounts and you want to access them with the same OnePass ID, you must contact Customer Service at 1-800-431-9025 Option 2.
